

YOUR PRE-RENOVATION CHECKLIST

Looking to renovate? Start with our free, no-obligation design service! Here's what you need to do before you speak to one of our design specialists.

1

FIND YOUR STYLE

Gather inspiration from magazines, Pinterest, and your imagination. Figure out what you love—and what you don't. Feel free to send us photos of your favourite kitchen layouts or cool organization upgrades.

2

TAKE PICTURES

Take as many photos of your current space as possible, including every angle and the full length of the room. (Don't worry, they don't need to be fancy.)

3

GET MEASUREMENTS

Measure your walls, ceilings, doorways, and openings. Use our helpful [measuring guide](#) to make things easy.

4

WORK OUT YOUR BUDGET

Figure out what you want to spend, noting any areas you'd be willing to splurge on—like your dream kitchen island.

5

ESTABLISH A TIMELINE

Consider when you'll be ready for renovations in your home. If you have a hard deadline, make note of that. For time-sensitive projects, we're proud to ship out in just 21 days—plus, you'll receive your free expert room design within 48 hours.

6

REACH OUT

Congrats! You're now ready to fill out our design request form and connect with our team. Head to our [free design page](#) to get started.
